25X1 5. [redacted] OSI,
called to discuss the possibility of making contact with a group of
Congressmen, headed by Representative Roman Pucinski, who will
be travelling to Moscow to study Soviet progress in the field of automatic
data processing. OSI would like to brief this group and make some
suggestions which might be helpful to OSI. Other members of the delegation
are Representatives Hugh L. Carey, John Brademas, Paul Findley, and
Alphonse Bell. (I mentioned to Marshall that Representative Brademas
would be visiting the Agency on 4 June along with a group of other
Congressmen and it might be feasible to discuss this with him at that
time.) I advised we would give this matter some thought and be back
in touch with him.

25X1 6. [redacted] Reconfirmed with Mr. John Garlan,
Office of Security, the Director's appearance at the hearings being
conducted by Senate Preparedness Investigating Subcommittee at 2:00 p.m.
Wednesday. A sweep will be required.

25X1 7. [redacted] Delivered to Mr. Russell Fee, Staff Consultant,
Senate Preparedness Investigating Subcommittee, twelve copies of the
25X1 Director's Top Secret [redacted] notes for use before the
Subcommittee on Wednesday. Later in the day delivered to the Sub-
committee two page changes for the above notes.
